

Dear [name]

It is with great pleasure that we invite you to join us in Vienna, Austria, for *The 8th Pneumo Summit: A new era of pneumococcal vaccination*. The meeting will start at 12:00 hrs on Friday 2<sup>nd</sup> October and conclude at 14:00 hrs on Saturday 3<sup>rd</sup> October 2015.

### **Agenda**

We are delighted that the meeting is being chaired by Professor Francesco Blasi (Italy) and Professor Marc Bonten (The Netherlands). Other eminent members of the faculty include Professor Fernanda Rodrigues (Portugal), Professor Antoni Torres (Spain), Professor Murat Akova (Turkey) and Professor Paolo Bonanni (Italy).

The main objective of this meeting is to ensure a good understanding of the pneumococcal disease (PD) landscape and an in-depth knowledge of the most recent PCV 13 data in adults, enabling you to discuss these with your peers and vaccinators. This will be delivered through a combination of plenary lectures and practical workshops on data communication skills and on how to address patient concerns on vaccination.

An agenda is attached for your information.

### **Honorarium, logistics and travel**

Owing to industry regulations, please note that honoraria will not be provided for attendance at the meeting. However, reasonable travel and hospitality support will be provided. CWT Meetings and Events, the logistics agency supporting the meeting, will be in contact with you to organize your logistical requirements pending your confirmation of interest and availability.

To confirm your attendance, or if you have any queries, please contact (insert local Pfizer representative and email address) by (insert date).

We very much hope you will be able to join us for this meeting.

Kind regards,

**Local Medical Lead**

**Local Commercial Lead**
