Vienna, Austria

Advancing Knowledge in Invasive Fungal Diseases

DAY 1 – Friday 26th June 2015

13:00–13:10 **Welcome to iAcademy 2015** Chair: *José Artur Paiva*
Co-Chair: *Birgit Willinger*

Current perspectives in invasive fungal infections: Where are we now?

13:10–13:40 **Exploring fungal epidemiology** *Patricia Muñoz*

13:40–14:10 **Practical approaches in critically ill patients for the treatment of invasive candidiasis** *José Artur Paiva*

14:10–14:45 **Advances in antifungal prophylaxis in allogeneic haematopoietic stem cell transplant patients** *Eduardo Olavarria*

14:45–15:15 *Coffee break*

15:15–17:15 **Workshop session**

The clinician's role in pharmacoeconomics:
A practical masterclass *Francesco De Rosa*
Eldon Spackman

Prophylactic antifungal therapy in HSCT patients:
Insights from practice *Raoul Herbrecht*
Eduardo Olavarria

Differential diagnosis in haematology patients *Werner Heinz*
Alberto Hidalgo

Real-world experience with echinocandins *Isabel Ruiz Camps*
Georg Auzinger
Gabriele Sganga

17:20–17:50 **10 years of improvement in the treatment of invasive aspergillosis** *Raoul Herbrecht*

17:50–18:00 **Day 1 summary**

18:00 **Close**

DAY 2 – Saturday 27th June 2015

09:00–09:10 **Welcome to Day 2** Chair: *José Artur Paiva*
Co-Chair: *Birgit Willinger*

09:10–11:10 **Workshop session**

The clinician's role in pharmacoeconomics:
A practical masterclass *Francesco De Rosa*
Eldon Spackman

Prophylactic antifungal therapy in HSCT patients:
Insights from practice *Raoul Herbrecht*
Eduardo Olavarria

Differential diagnosis in haematology patients *Werner Heinz*
Alberto Hidalgo

Real-world experience with echinocandins *Isabel Ruiz Camps*
Georg Auzinger
Gabriele Sganga

11:10–11:35 *Coffee break*

Managing risk in invasive fungal infections – New learnings

11:35–12:10 **Improving care pathways in the management of invasive aspergillosis** *J Peter Donnelly*

12:10–12:40 **New perspectives in the treatment of invasive candidiasis** *Bart-Jan Kullberg*

12:40–13:00 **Workshop summaries**

13:00–13:15 **Summary and meeting close** *José Artur Paiva and Birgit Willinger*
